A New Financing Initiative From IHDA Mortgage...

**IHDA Access
Plus**
INITIATIVE

Goals and Solutions

1. Reduce Homebuyer Exposure to High-Cost Mortgages

- By increasing the amount of revenue paid on lower loan amounts, lenders can cover fees with the increased SRP, keeping the loan compliant and meeting the revenue target for their business.

2. Encourage lending to homebuyers with smaller loan amounts while reducing risk to lenders

- The increased SRP revenue on lower loan amounts provides an additional sales channel often discounted due to high-cost restrictions.
- This added sales channel during times of low housing stock will allow lenders the ability to provide greater access to homeownership for borrowers often left renting due to risk of buybacks and fee non-compliance.

How Does It Work?

This is *NOT a new program*; it is a financing incentive that can be paired with any IHDA Mortgage down payment assistance program.

- **The incentive offers:**
 - \$5,000 flat per loan in the form of SRP on purchased files for loan amounts \$50,000 & under
 - No action is required on lender's part to participate, the incentive will automatically be applied at time of purchase on eligible files

Files not purchased within 60 days of the lock period are subject to SRP adjustments as detailed in Addendum G of the IHDA Mortgage Procedural Guide posted in the [Document Library](#).

IHDA Mortgage Process

Important Tips

General Overview

Change

You've been asking and we've answered.

As of March 2023, we no longer require three years of tax returns.

- IHDA removed the requirement for three years of tax returns to verify first-time homebuyer status.
- IHDA will rely upon the loan application, credit reports, and other verification(s) to determine ownership interest / first-time homebuyer status. *(this not an inclusive list)*
- If agency guidelines require tax returns or transcripts, they must still be included in the loan file.
- The Borrower Affidavit has been updated with attestations for both borrowers and non-borrowing spouses about current/prior homeownership.

Additionally, the Tax Affidavit form will no longer be required.

Must meet Agency guidelines, U.S. Bank HFA guidelines, and IHDA compliance per the [IHDA Procedural Guide](#)

U.S. Bank is the Master Servicer

The Lender's Underwriter must approve the loan. IHDA does not review loan prior to closing

IHDA only requires income for all those liable, or secondarily liable on the Note

IHDA Mortgage's Down Payment Assistance (2nd Mortgage) requires using a traditional 1st mortgage, i.e., no Home Ready, 203K

Lender is responsible for table funding and servicing both the first and second mortgage until purchased by U.S. Bank

Must use IHDA Mortgage's interest rate

- The rate is the rate is the rate
- No Loan Level Price Adjustment, No Adverse Market Fees, No Buydowns

All lenders must be IHDA approved

Reserving an IHDA Mortgage

Steps to Take

Credentials to Log-In to TPO Connect

- ▶ To get your login credentials to TPO Connect, you will request them from the system admin at your company
- ▶ If you need a list of your system admins at your company, please contact IHDA at mortgage@ihda.org
- ▶ There are videos and training manuals located at ihdamortgage.org/tpotraining

- There are no “hard stops” in TPO connect such as over income limits, over purchase price limits, incorrect subordination amount (DPA amount), etc.
- Save your loan file as a Fannie Mae MISMO 3.4 file and upload it to the TPO Connect system to save time
- You must enter a FICO score
- Make sure you have subordinate financing selected as “Yes” and your subordinate financing amount (DPA) is correct
- Update estimated closing date
- For government loans –
 - On the loan information screen, next to MI coverage, click the calculator.
 - Make sure the MIP/Funding/Guaranteed amount is the correct percentage rate. If not, update it, and hit done. This is how you update your total loan amount (and adjusting base loan amount), as the total loan amount cannot be manually adjusted.

Important Notes

- ▶ **Remember with TPO Connect, registering a loan and locking the rate are separate processes.**
 - ▶ You can verify if a loan is locked by looking at your pipeline and see if the loan is “locked” or “unlocked”.
- ▶ **Once in product pricing, you must select “60 days” as lock period.**
- ▶ **You must put in a target interest rate if there is one not in there.**
 - ▶ The target rate is not the rate the loan will be locked at.
- ▶ **Lender paid MI is not a current option on any IHDA loans.**

Important Notes

- ▶ To print lock confirmation – click on “product pricing and lock” and click on printer icon in upper right-hand side.
- ▶ Verify your subordinate financing amount is listed on lock confirmation, as there is no separate 2nd lock confirmation.
- ▶ There is a single loan file with a single loan number in TPO Connect.
 - ▶ The 2nd loan numbers will be auto-assigned on the back end by adding “dpa” at end of 1st loan number. *Example: If first loan is 3117907, 2nd loan number will be 3117907dpa.*
- ▶ To update any changes on lock confirmation that were updated to loan in TPO Connect, between 9:30 – 5:00 CST, click re-price lock, choose same program, and re-price the lock again and print new confirmation.
 - ▶ Re-pricing does not change the reservation in any way (if same program is chosen) other than updating lock confirmation.

TPO Lock Extension

- ▶ To extend your lock, “click on product pricing & lock”, click on “extend lock”, select 30 days, Service Release Premium paid by U.S. Bank will be shown, but actual SRP reductions are calculated from the actual purchase date back to lock date.
 - ▶ You can then print new confirmation showing extension.
- ▶ If the loan is already expired, you will not be able to extend it through TPO Connect and will have to request an exception be made by emailing mortgage@ihda.org.

Illinois Housing Development Authority
RECAPTURE NOTICE

NOTICE TO MORTGAGOR OF MAXIMUM RECAPTURE TAX AND OF METHOD TO COMPUTE
RECAPTURE TAX ON SALE OF HOME - MRB

The Illinois Housing Development Authority (the "Authority"), through provisions of the Internal Revenue Code, has the ability to issue what are customarily referred to as "tax-exempt bonds." By issuing these bonds, the Authority can provide financing for mortgage loans. The Authority's First Time Homebuyer Program is an example of financing that is possible through such bond issuance.

A. INTRODUCTION: As a recipient of a mortgage loan from the proceeds of a tax-exempt bond, you may be subject to a recapture tax if you sell your home during the next nine years. The recapture is accomplished by an increase in your federal income tax for the year in which you sell your home. The recapture only applies, however, if you sell your home at a gain and if your income increases more than 5% per year. The recapture tax may also apply if you dispose of your home in some other way. Any references in this notice to the "sale" of your home also include other ways of disposing of your home. For instance, you may owe the recapture tax if you give your home to a relative.

B. MAXIMUM RECAPTURE TAX & CALCULATION OF TAX DUE, if any:

NO RECAPTURE TAX DUE: In the following situations, no recapture tax is due and you do not need to do the calculations listed below:

1. You sell your home more than nine years after settlement.
2. Your home is disposed of as a result of your death.
3. You transfer your home either to your spouse or to your former spouse in connection with a divorce and you have no gain or loss included in your income under section 1041 of the Internal Revenue Code, or
4. You dispose of your home at a loss.

MAXIMUM RECAPTURE TAX:

The maximum recapture tax that you may have to pay is \$ 0.00.

This amount is 6.25% of the highest principal amount of your mortgage loan and is your federally subsidized amount with respect to the loan.

Total 1st mortgage loan amount: _____.
